Akari Vanish!?

kitaharatomoe.2012(c)tomo.client.jp

★PREFACE★

どうもこんばんは、北原朋萌。です！

今回はアニメ第２期放送に先駆けてゆるゆり本です～！
普段全く目立たないあかりが、とあるきっかけで
突如モテモテになってしまうというお話です(笑

あかりが色んなキャラと絡みますが、ちなあか成分が一番高いです！
ちなあかマジ最高です(*´ヮ`)　その内じっくり描きたいですねw

これまで描いてきたものは４コマ漫画や１Ｐ漫画ばかりでしたので
ストーリー漫画を執筆したのは実は今回が初めてです(；´Д`)
これまで出してた本の二倍以上の作業量だったので大変でした…

初挑戦ゆえチープな出来になってしまいましたが一生懸命描いたので
どうか超銀河張りの広い心で読んで頂ければ幸いです(笑

★

そうそう、今年の夏コミ当選しましたよ！ヤッター！

今年は漫画のお仕事を戴けるようになったり、４月のサンクリでは
初の壁サークルにもなれたし、かなり運が回ってきてますね！
まだ何の本を出すか全く決めていませんが、貰ったチャンスは
バッチリ活かしたいと思いますのでどうかお楽しみに！

去年１２月の冬コミ本、４月のサンクリ本、そして今回
６月のサンクリ本とかなり速いペースで新刊を出せるようになりました
これも皆さんの応援によるモチベーション向上あっての事です！

去年までの自堕落な自分を変えるためにお仕事は勿論
同人活動のほうも精一杯やっていきますので
これからも応援宜しくお願いいたします～！

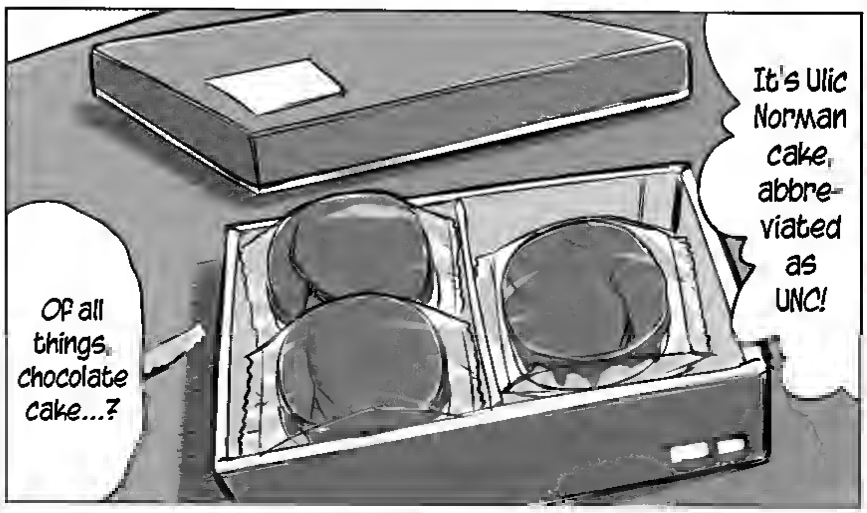
UNC is delic-ious!!
The usual everyday scenery at the Amuse-ment Club.

What's with the sudden outburst at the start of everything?
Ahh, actually, I received some English cakes from my relatives as a pre-sent.

ニラクるノ



It's Ulic Norman cake, abbre-viated as UNC!
Of all things, chocolate cake...?

No, I'll pass.
Chinatsu-chan, you're not going to have any?
UNC is awesome.
I get the feeling that I would lose something important to me as a woman...

Yaaayyy!! I want to eat UNC too!
Really?
It doesn't seem like it is.
Is this really from England?

Eh!?
Yui-senpai~~ Nnnnn~~

Here.
Yaaa yyy!
PUCCY

Anyway, I would like one of what Yui-senpai has!
Oh, these?

Geh hh!?
Chinachu! Chuwaa aahhnnn!
Strip

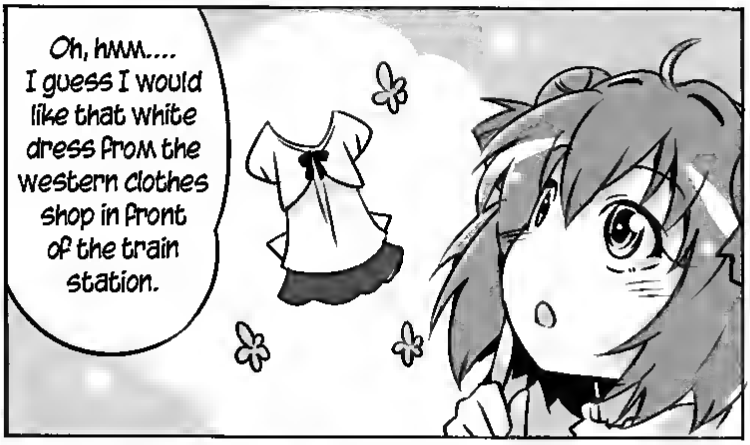
Yui-senpai, go "ahhnnn", "ahhhnnnnn"!
That would be kind of...

Maybe the reason I'm not popular is because I'm not in love with anyone...!?
Ahh!?
Akari finally realized the world's mentality!
Kyouko-senpai, please go somewhere else!
Eat mine too!
You idiot!
Eat the tip! That's all I'm asking!
Kyaaahhh!! I'm being violated!
Now that I think about it, everyone does have someone that they like...
Melancholyyyy
I want to fall in love with someone too...

...
All right!!
JULY
It's Tanabata tomorrow ...
I wish to fall in love with another girl too.
I wish to fall in love with another girl too
All done!
... I'll use glue so it can't fly away.
Huh...? I thought I did something for Tanabata recently ...
Maybe Orihime and Hikoboshi hate me...?
Hikoboshi
ORihime
Akkori-n
Akari, you were here?
Huh?
Aghost
Senpaaaiii!
Several days pased by and my wish remained ungranted...

Akari-chan, what is it that you want most?
Hey
Hey

Akari-chan!
At that time, I did not suspect that the power of a small strip of paper could cause such a thing to happen.
...or so I thought.



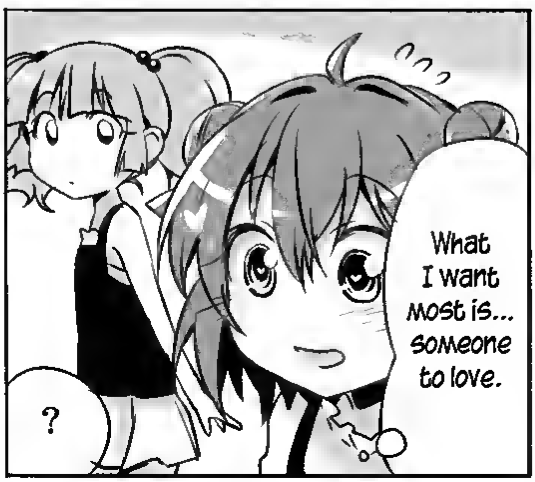
Oh, hmm.... I guess I would like that white dress from the western clothes shop in front of the train station.

No, that's not what I mean. I'm talking about an actual item.
...Screen time.

That's not true.
I was just thinking that you don't seem to have many desires.

But it's super expensive and I can't afford it... Why do you ask?
Yep!

That's mean!
If you want my opinion, I think if you stand out, you won't truly be Akari-chan anymore!



?
What I want most is... someone to love.

How am I supposed to fall in love with someone ...?
DING DONG

Akkari-channn!!
Waa hhh!!

I'm still just a kid so I don't know.

You made it for me!? How nice!
Himawari and I made it together!

What is it you two?
Ah... I made this for you, Akaza-san, if you like...

But why...?
Akaza-saaan!
What did you say!?
The ones Sakurako made have horrible form, though.
Ahhh, you don't have to worry about that.
You help out with a lot otherwise too.
Thanks for always giving Ohmuro-san and Furutani-san a hand.
Akaza-san, take these!
Pickled Veggies
Ahh, thank you very much!
Take these from me too if you want.
This is because of my Tanabata wish, right!?
Incredible!! Akari is super popular right now...!
...

Ehh ...?

Akkarii iinnnn!
Happy birth-day!!

The 24th of July is your birthday, right? Did you forget?
Ah! That's right! It slipped my mind.

Are we doing this in the club room?
Okay, let's hurry and buy a cake and some sweets and get back.
Yup.

I get it, everyone's giving me gifts because it's my birthday.

Yay! I'll go too.
You're the birthday girl Akari, so you can wait in the club room.
Ah... I'd feel bad leaving you all by yourself, so maybe you should come along?
One of us will stay with her!
Yui
Chinatsu-chan
I'll wait here with Akari so you two can get going!
Wait... why are you staying here Kyouko-senpai?
I thought you would be happy if you got to go with Yui...
Normally Kyouko would want to go with Chinatsu-chan.
Today I'm in the mood for giving Akari some love instead of Chinatsu-chan!
K-Kyouko-chan...

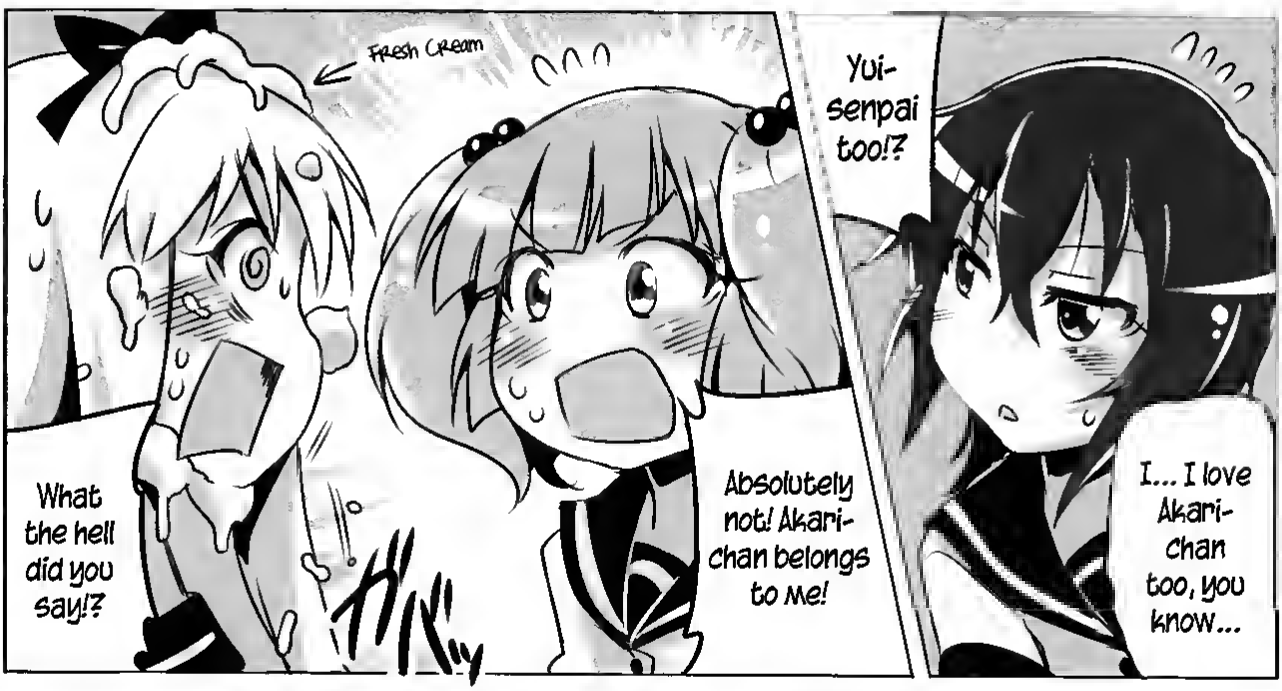
You...
You can't do that!
Ehh... Why?
Why can't Kyouko-senpai and Yui-senpai go together?
C-Chinatsu-chan?
※Chi-na
Okay Kyouko, let's go.
Ehhh! Whhyyyyy...?
pull
It'll be bad if this keeps up...
...Ahh...
we'll be right back!
Waahhhhh!! My Akari!!

There's no reason for me to be unsatisfied over going shopping with Yui-senpai...
W-Why did I go and say that...?
Ah...
...Come to think of it, I get the same uneasy feeling when I see Akari-chan talking with everyone else in the classroom.
I felt a sudden pang in my heart...
The moment Kyouko-senpai started clinging on to Akari-chan...
Wait, that's sort of like... I'm in love with Akari-chan!?
ボーッ

What am I gonna do... I might be in love with Akari-chan...
Now that I'm aware of it I can't look at her!!
C-Chinatsu-chan, what's wrong?
Haa!?
I didn't want her to be taken away by someone else.
Even when I act out and cause her trouble, in the end she lets me off the hook with a smile...
Akari-chan always gives Yui-senpai advice when she needs it...
I under-stand! I can open up to her about how I really feel.
I'll say that I can only be my true self when I'm together with her!
I realized something just now.
I love Akari-chan more than Yui-senpai.
Eh!?

Ahhhh!! W-W-W-Wait!! C-Chinatsu-chan!
HAA
HAA
HAA
I can't stop these Peelings of Mine any longer...
Could we... continue what we started the other day?
Akari-chan!
Kya aaa!!
W-We're both girls so there's nothing to worry about!!
Oh okay... waaaitttt, no...!!!
We'll get pregnant if we kiss!!
Ehhh!? What are you talking about Akari-chan!?
Don't ...!
I don't want that...!
I'm sure that my Wish distorted Chinatsu-chan's Peelings since she's supposed to love Yui-senpai...!

Slam
I won't let that happen!
Cruel-mode
Ehh hhh!?
A-Akari! Let's get Married!!
Fujiya
!?



Fresh Cream
What the hell did you say!?
Absolutely not! Akari-chan belongs to me!
Yui-senpai too!?
I... I love Akari-chan too, you know...

It's all my fault...
!!!
!!!
!!!
I don't believe it... there's fighting in the Amusement Club...

NAAAHHHHHHHHHNNNNNNN~3
Go back to how you usually are!
If this is how it's going to be then I don't want to stand out!
Sorry Akari-chan, you don't need to cry anymore...
I'M sorry, Akari... that was wrong of me.
That just shows how much each one of us loves you.
I don't want everyone to fight because of me...

We're sorry, Akari.
That's why we won't make our precious friend cry anymore!
What should we do... if you're okay with it, we could make pancakes again, Akari.
Ah... the cake is ruined.
Sure! I'd be happy with that too!
ぐちゃー
You guys...
Thank goodness.
Did you eat the cake that got on your head?
shuffle
Oh yeah!
The cake may be smashed, but I do have something to give you.

That's the dress I've been wanting!!
But this was super expensive...

Tada!
What's this!?
!!

Chinatsu-chan...

Chinatsu-chan came up with the idea.
She said that it would make a great present for you.
Pricey!!
We all chipped in for it.

Since you went through all that trouble for me, I'll try it on!!
Go ahead!

Waaa hhhhhh
Thanks everyone ....
She's crying again!!

As I thought, it's too soon for me to fall in love.
But... that's okay.
Because ...
I'm most happy when I'm with all of my great friends!

Good morning, you two!
Hey!
The next day
... Sorry, who were you again?
STUNNED
Sorry about that, umm...
Ouch!
Chop
Don't forget your own friend's face!
I-If you want, would you like come with us...?
LAUNCH
Ehh hh!?

Senpa aaaiiii!!!
Yeah...
That's so mean you guys!! You forgot about me!?

Who have you been talking to?
There's no one here.
She can't even see me!?!?!?!

Chinatsu-chan!
Jeez, you two are always joking around.

Waaahhhh!! Wait!! I'm right here!! It's Akari!!
Let's go.
We better hurry or we're going to be late.
That's so strange... I swear we were talking with someone...
? ? ?
Akari is as pitiable as ever...

M-Maybe...
My wish was so effective that it caused a backlash and made me stand out even less than I already did...!!
